

DELPHI

SKYFi Receiver sold separately.

marine kit

Delphi XM® SKYFi™ Marine Kit
For use with the SKYFi Family of Receivers

Setting Sail With SKYFi

Cruising to the radio takes on a whole new meaning with the Delphi XM SKYFi Marine Kit. The splash-resistant components enhance the portability of the SKYFi Receiver, so boaters can enjoy the sounds of XM Satellite Radio on the water.

XM gives you access to over 120 digital channels of music, sports, talk, news, comedy, kids programming, and more. That includes 68 channels of 100 percent commercial-free music. The Delphi XM SKYFi Marine Kit is the first plug-and-play satellite radio kit designed specifically for the marine environment, helping you enjoy XM Satellite Radio's coast-to-coast broadcasts even beyond the coast.

The kit includes a plastic case molded in marine white with a clear top to protect the SKYFi Receiver from water splashes. It also includes a docking cradle, marine antenna, mounting bracket with weatherproof hardware, surface preparation kit, and a universal audio adaptor that allows you to play XM stations through your FM radio.

Hardware included

Quick and easy installation.

Splash-proof case

Designed specifically for the marine environment.

Complete system

Includes everything you need to use on your boat. (Receiver sold separately.)

Versatile mounting bracket

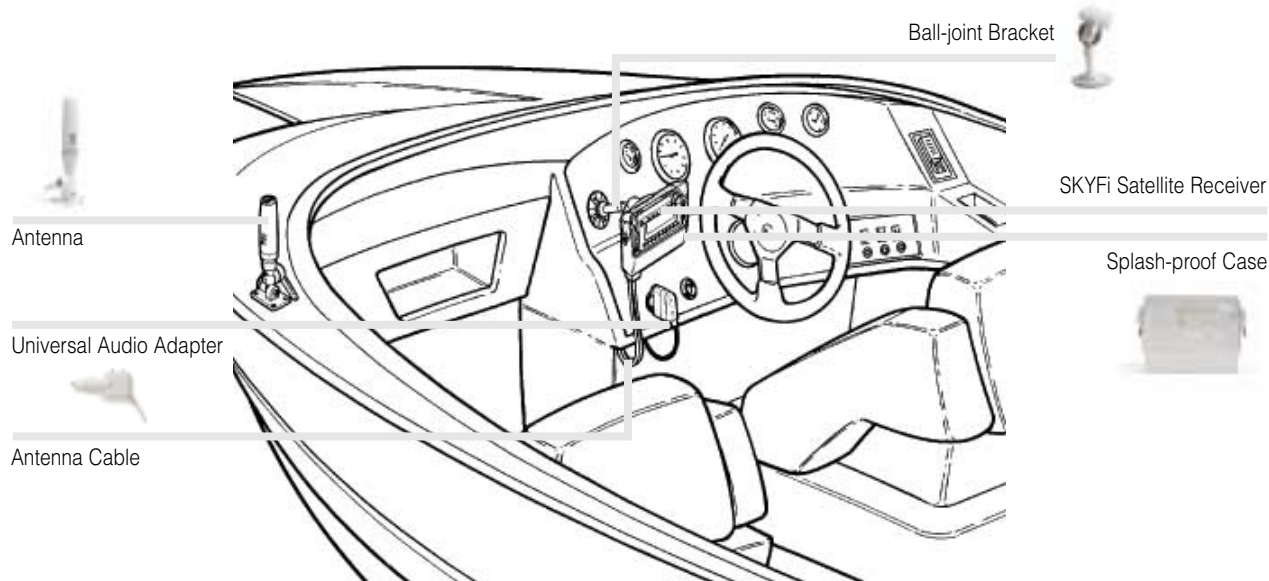

Multiple mounting options.

Ball-joint bracket

Easy to use with adjustable angles.

Caution: The Delphi XM SKYFi Marine Kit is splash-resistant, NOT waterproof. It is not intended for use on personal watercraft (i.e., Jetskis and similar). The case cover must be closed for the Delphi XM SKYFi Marine Kit to be splash-proof.

Receives over 120 XM digital channels coast-to-coast
